*Contributions or gifts to this organization are not deductible as charitable contributions for federal income tax purposes. However, dues payments are deductible by members as an ordinary and necessary business expense. Under IRS rules IR-93-98 and notice 93-95, the government now requires exempt organizations to estimate the percentage of a member's dues utilized for lobbying purposes. It has been determined that 66% of your state and national dues is still deductible as a business expense under IRS rules.*
